

# Calling all Soccer FANS!

## RE: Try out for ArtMatch – A FREE workshop in slogans and cheers with dub poet Klyde Broox

Centre3 is an IGNITE partner in Hamilton's Cultural events for the soccer games taking place this summer in Hamilton.

We invite soccer fans of all ages to join our cheerleading team. During 4 Saturday afternoons in April you will create slogans for your own banners and flags to celebrate soccer. You will also create a team slogan for a t-shirt together. All workshops will be held in the James Street North Arts District, Hamilton.

No poetry experience required.
