

The Canadian International Military Tattoo

The Canadian International Military Tattoo is pleased to invite you to our Education day, as part of our Education Program. This experience is designed to introduce military history, culture and music to the next generation. The Tattoo is a celebration and commemoration of the Canadian Military and our mission is to *“Connect Canadians to their Military through music”*.

The Tattoo celebrates and commemorates Canada’s military past and traditions through artistic performances. This year’s education day will include the stirring voices of two military wives choirs, and a display of strength by Dave Gauder, the former World’s Strongest Man from Birmingham, England.

**We would like to invite you and your group to our Education Program on
Friday May 29th from 1:00pm- 2:00pm**
