

WELCOME

Community Living Hamilton is proud to have been selected as the provider of Special Needs Resourcing (SNR) in the City of Hamilton.

Effective January 1, 2017, we will be providing service to children and their families through partnerships with the staff and leaders of the over 200 licensed child care providers within our community.

From the opening of our first child care centre for children with special needs in 1963, to being selected as the lead agency for the Integration Resources Hub from 1993-2015, we have a long history in supporting children with special needs in licensed child care settings.
